

USC- GALEN CENTER – NOV 9TH 2007

The center puts the Trojan teams on an appropriately impressive stage, allowing the Trojans to strut their stuff in a 255,000 square-foot arena with 10,258 seats, and utilize new locker rooms for home and visitors, as well as a state-of-the-art weight room and medical training room.

An attached 45,000 square-foot pavilion contains additional practice room with three sections with enough space for 4 full basketball courts or 9 volleyball courts as well as seating for 1,000 - along with space for coaches and administrative offices.

Galen also has function rooms, a ticket office, concession stands and merchandise stores for visitors to the new complex and will house the Athletic Department Hall of Fame. Built with the entire community in mind, the Galen Center will open its doors to youth and high school sporting events when the Trojans aren't on center court. Still, athletics won't be the only events to touch down at the Galen Center, however. The venue also will play host to concerts, commencement ceremonies, community events, lectures, meetings, shows, pageants and more.
